

Oki have implemented this returns programme to support our commitment to a sustainable future. In addition to helping reduce negative environmental impacts we will make a donation to Save the Children at the end of each financial year - so the more you return, the greater the benefits.

Please only return toner cartridges from colour printers. Unfortunately, we are not able to recycle other consumables.

1. REMOVE YOUR USED CARTRIDGE

2. PACK IT IN THE RETURNS BAG PROVIDED WITH YOUR NEW CARTRIDGE

3. SEAL THE BAG WITH THE SELF-SEALING STRIP

4. RE-PACK IT INTO THE BOX THE NEW CARTRIDGE CAME IN AND TAPE IT CLOSED

5. PRINT THE PREPAID RETURNS ADDRESS PDF AND FIX IT TO THE BOX
