	Barcode support	N/A
Utility Suite	Color Correct, Color Swatch, OKI LPR (Windows only), PrintSuperVision.net (Windows only), Template Manager 3.0 (Windows only), Web Driver Installer (Windows only), Web Print (Windows only), Print Control Server (Windows only), Print Control Client, Status Monitor (Windows only), Printer Menu Utility (MAC only)	Color Correct, Color Swatch, OKI LPR (Windows only), PrintSuperVision.net (Windows only), Template Manager 3.0 (Windows only), Web Driver Installer (Windows only), Web Print (Windows only), Print Control Server (Windows only), Print Control Client, Storage Device Manager (Windows only), Gamma Utility
	Memory	Std RAM 32MB Max RAM 288MB
Paper handling	Paper capacity tray 1	250 sheets. Paper sizes: A4, A5, B5, A6
	Paper capacity of multi-purpose tray	1 sheet. Paper sizes: A4, A5, B5, A6, Envelopes (Com-9, Com-10, DL, Monarch, C5), Labels (Avery 7162, 7664, 7666), Custom Size (up to 1220mm length including Banners ²)
	Standard tray paper weight	64-120gsm
	Multi-purpose tray paper weight	75-203gsm
	Duplex	Manual (Windows Only)
	Duplex paper sizes	A4, A5, B5. Supports Custom Size: Width 148-215.9mm Length 210-355.6mm
	Duplex paper weight	75-105gsm
	Paper Output	150 sheets face down (80gsm), 1 sheet face up
Operating conditions	Temperature/humidity	10°C to 32°C (17°C to 27°C recommended) / 20% to 80% RH (50% to 70% RH recommended)
	Storage	-10°C to 43°C, 10% to 90% RH
Power requirements	Power supply	Single phase 220-240VAC, frequency 50/60Hz +/-2%
	Power consumption	Typical 400W, Peak 980W, Idle 100W (average), Power save <14W
Noise level	Operating: Up to 51.0 dB(A), Standby: 37 dB(A), Power Save: Background Level	
Dimensions (HxWxD)	290mm x 376mm x 479mm	
Weight ³	Approx 21kg	
Duty cycle	Printer duty (max)	35,000 pages/month
	Printer duty (average)	500 - 2,000 pages/month
Warranty	Pan European 1 year on-site	
Accessories	Memory	64MB (01110301), 256MB (01110302) or 256MB (01182901) or 512MB (01182902)

Optional (order number)

¹ Check local OKI Printing Solutions website for latest driver releases & OS Compatibility

² Installation of optional memory is recommended to enable full banner printing capabilities

³ Includes all consumables

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Description	Life* (pages)	Order number
Black toner	1,500	43459436
	2,500	43459332
Colour toners	1,500	Cyan: 43459435 / Magenta: 43459434 / Yellow: 43459433
	2,500	Cyan: 43459331 / Magenta: 43459330 / Yellow: 43459329
Image drum	20,000 A4 pages @ 3 pages/job	Black: 43460208 / Cyan: 43460207 / Magenta: 4340206 / Yellow: 43460205
Transfer belt	60,000 A4 pages @ 3 pages/job	43378002
Fuser unit	60,000 @ A4	43377003

*All toners: A4 pages @ 5%, Printer shipped with 500 pages @ 5%. All Drums: A4 pages average life. Specification subject to change without notice. All trademarks acknowledged.

C3000 Series

OKI
PRINTING SOLUTIONS

Small in size, huge in performance.
Perfect for your small workgroup.

C3450
C3600

C3000
Series

Fast, affordable desktop colour printing for every small workgroup

With one of the smallest footprints in their class, the C3600 and the C3450 bring fast, affordable, high quality colour to the busiest of offices.

Take the new C3600, for example. Based on the same reliable single-pass digital LED technology as all our colour printers, this latest addition to the range comes with the features and functionality that you might expect to find only in larger, more expensive machines.

Impressive performance

Capable of printing as many as 16 colour pages per minute (ppm) (20ppm in black and white), and with the first page appearing in just 12 seconds or even less, it's not just one of the smallest printers for the price, but one of the fastest. And that's not all.

The C3600's fast processor and generous memory lets it race through even complex, graphics-rich documents in the shortest possible time. What does that mean for you? It means less waiting around, greater productivity, and everyone in the team being able to print genuine OKI Printing Solutions colour whenever they need it.

Unique space saving design

Some 'desktop' colour printers seem to need a table all to themselves. But with their compact design and easy access output tray the C3600 and C3450 are perfect for when space is at a premium. A front-facing LCD display on the C3600 gives clear, easy to understand status information and the top lifts up for quick replacement of the toner cartridges and drums.

Developed for endurance and economy

Because the toner cartridges and drums are all separate, you only ever have to replace what needs replacing. And with drums that print up to an impressive 15,000 pages, you can print more, for longer, as well as saving money.

Built for reliability

With fewer moving parts there's less to go wrong. That's why OKI Printing Solutions pioneered the use of digital LEDs and it's why we continue to use them in all our colour printers. Couple that with single-pass printing technology and you'll see why our printers keep going: just what you need for a small but busy workgroup.

Powerful productivity software

Don't let the small size - or the price - fool you. The C3600 and C3450 come with a whole suite of useful productivity and creative software, making them ideal for the office environment:

- **Print Control** - for tracking usage and controlling access for tighter cost control.
- **PrintSuperVision** - browser-based monitoring and management of all your network printers, regardless of make or model.
- **Template Manager 3.0** - editable, easy to use templates for creating a wide range of office documents.
- **Color Correct** - for fine-tuning the standard palette of Microsoft Office applications.
- **Color Swatch** - for reproducing custom colours, for example, corporate brand identity colour palettes.

Versatile media handling

Now you can print what you want, on the paper you want, with OKI Printing Solution's versatile media handling capabilities. Both the C3450 and the C3600 are equally at home on everything from standard 80gsm paper right the way through to premium quality, light card stock (203gsm). You can even print banners up to 1200mm long!

THE C3450 AND C3600, WHICH ONE IS RIGHT FOR YOU?
